ABOUT US

Porch Light Health delivers accessible, evidence-based addiction treatment, improving lives through compassionate care and fostering successful recovery.

TREATMENT

Porch Light Health offers medically-focused, medications for addiction treatment (MAT) and clinical case management treatment for Opioid, Alcohol, Stimulant, Sedative, Nicotine, Cannabis and Polysubstance Use Disorders.

We are an urgent care focused statewide network of addiction medicine clinics, dedicated to reducing harm, improving quality of life, and supporting patient defined recovery.
